

# Technology Camp Sebago Alliance

June 22-26, 2009

MSAD # 6

Gorham School Dept.  
Scarborough School Dept.  
Westbrook School Dept.  
Windham Raymond School Dist.

During the last week of June the Sebago Alliance will be offering a week of in-service training sessions focusing on technology. These sessions are open to all Windham, Raymond, Gorham and Westbrook, SAD # 6, and

Scarborough staff. So, if you need to update your technology skills, learn about new technologies, improve your curriculum or you simply want to make your life easier while acquiring recertification credits, this is the place to be.

To sign up for a session or to view a course description, simply go to the web page listed to the right and follow the instructions on the web site. Staff from Raymond, Gorham, Westbrook, SAD #6, and Scarborough can type techcampuser as both the login name and as the password.

If a session you have registered for is cancelled, you will receive an e-mail to that affect before June 8, 2009. The majority of the sessions are 2 hours in length, starting at 8:00 am followed by a half hour break to allow people time to travel to other locations. The second session starts at 10:30 am and goes until 12:30 pm. We've added many new sessions to the list of offerings. Hopefully, there is something for everyone.

**When:** The week of June 22 – 26, 2009

**Time:** 8:00 am-12:30 pm

**Where:** Windham High School & Gorham Middle School

(Driving directions are found on the registration web site)
