MSAD #6

Gorham School Dept.
Scarborough School Dept.
Westbrook School Dept.
Windham/Raymond School Dist.
Poland School District

During the third week of June the Sebago Alliance will be offering a week of in-service training sessions focusing on tech integration. These sessions are open to all Gorham, SAD 6, Scarborough, Westbrook, Windham Raymond, and Poland staff. If you need to update your technology skills, learn about new technologies, improve your curriculum or you simply want to make your life easier while acquiring recertification credits, this is the place to be.

A schedule of the 42 different sessions being offered is found on page two of this document. You can view descriptions and/or sign up for a session by simply going to the web page:

<http://www.RSU14.org/techcamp>

type in:

seatechcamp for the **login name**
june2010 for the **password**.

If a session you have registered for is cancelled, you will receive an e-mail before June 8, 2010. The majority of the sessions are 2 hours in length, starting at 8:00 am. followed by a half hour break to allow people time to have a snack and proceed to the next session. The second session starts at 10:30 am. and runs until 12:30 pm. We hope there is something you are interested in!

When: June 21 – 25, 2010

Time: 8:00 am-12:30 pm

Where: Gorham Middle School

(Driving directions are found on the registration web site)
